Events & Community Support

Singing River Federal Credit Union awarding the Singing River Foundation Cancer Fund proceeds from their Bras Across the River event supporting breast cancer patients

Sen. England and Rep. Felsher made proclamations in both the state senate and house recognizing our efforts in funding and bringing Hope Squad to Jackson County.

Our inaugural Golf Classic was a success with all teams sold-out

Singing River hosted the "High School CTE Showcase" which is comprised of 250+ health science students from area high schools

\$209,904

invested in supporting patients, employees, and programs that improve health and save lives.

\$66,978

invested in patient care, including:

- Helping cancer patients with travel, dental, medications, groceries, supplies, and equipment. Stocking breast prostheses, wigs, and comfort items at Singing River's Cancer Centers.
- Assisting hospice patients and their caregivers with basic needs and utilities, including stocking the Hospice of Light food pantry.
- Supplying car seats for 11 newborns, blood pressure cuffs for 47 new moms, and lactation supplies for 11 new moms.
- Providing assistance with medications, medical supplies, and medical equipment for patients in need as they are discharged from Singing River's hospitals.
- Purchasing specialized clinical equipment to aid in diagnosis and treatment.
- Providing holiday gifts and groceries to 35 cancer and hospice patients through the Giving Tree program.

\$114,869

invested in programs benefiting the health of the community, such as:

- Continued funding of Hope Squad, a mental health program in all public middle and high schools in Jackson County.
- Supporting the health science programs in local high schools.
- Funding community food insecurity initiatives, mental health outreach, and resources for expectant mothers.
- Providing uniform shirts for Project Search interns.
- Supporting clinical education through the Singing River Stroke Symposium.
- Hosting mental health summits.

\$28,057

invested in employee programs and direct assistance from the Employee Crisis Fund.
